

**MR JAMES C LEE** MBBS FRACS PhD  
 Specialist General & Endocrine Surgeon  
 ABN: 81 420 173 508

### About Mr James Lee

**A**fter graduating from the University of Melbourne Medical School in 2001, Mr Lee trained in General Surgery at the Austin Hospital, qualifying as a General Surgeon in 2010. He furthered his training in Endocrine Surgery at the Austin Hospital in Melbourne and Royal North Shore Hospital in Sydney, and is **the only Australian surgeon to have held the prestigious T.S. Reeve International Fellowship in Endocrine Surgery.**

Mr Lee attended the Endocrine Surgery University at the Mayo Clinic in 2011, an invitation only opportunity which allowed him to further his knowledge under the guidance of world leaders in endocrine surgery. In 2014, **Mr Lee was awarded the Doctor of Philosophy (PhD) by the University of Sydney** for his thesis on thyroid cancer.

**Mr Lee is widely published** and was the recipient of the **T.S. Reeve Research Prize** in 2011 and 2012 at the Royal College of Surgeons Annual Scientific Congress. He is currently a Visiting Surgeon at *The Alfred, Monash Health, Knox Private Hospital, The Avenue Private Hospital, and a Senior Lecturer at Monash University.* Mr Lee is dedicated to the training of the next generation of surgeons through these appointments.

**Mr Lee is committed to providing his patients with the highest quality surgical care,** supported by the latest research, in a personal and friendly manner.
